We prefer that our volunteers serve on a consistent basis. Bonding with the kids is very important, especially with those who are a bit reserved, or with our very young ones.

Every other week is our typical commitment (knowing things will come up now and then).

- Seasonal rotation - Serving every week for a specific number of weeks, then taking a break for a number of weeks.
- Every other week - Serve every other week in the same classroom. We would encourage you to attend one and serve one.
- Once a month rotation. Serve once every 4 weeks.
