

Our Purpose

Our Women's Ministry is all about connection and spiritual growth. We want women to experience authentic and meaningful relationships with each other and a vibrant relationship with the Lord. It is our hope that through involvement in this ministry, women of every age will develop a deeper understanding and love of Jesus Christ and grow in their personal walk with Him.

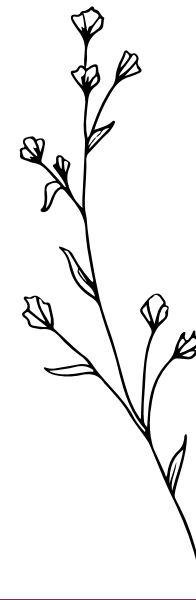

Our Mission

To **REACH** women with the great hope and assurance of their identity in Jesus Christ

To **TEACH** the women of Valley as we study the Word of God through Bible study and application

To **ENCOURAGE** the women of Valley through fellowship, mentoring, service, and prayer

To **EQUIP** the women of Valley to share the good news of the Gospel with others

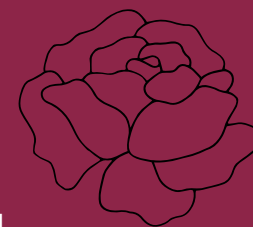

Connection. Encouragement. Friendship. Growth.

“What I love about Women's Ministry at VC Family is the welcoming, non-judgemental atmosphere. I think it's so very important. I have never felt it so vividly before and that is why I have never felt so "at home" at any other church!”
